## About PistonPower™

PistonPower™ is general aviation's first and only comprehensive hourly-cost maintenance program for piston aircraft, designed by aviation pros who've designed and built similar programs for turbine airframes and engines.

PistonPower™ brings stability to your maintenance budget and peace of mind to your business and personal flying to minimize the risk of costly catastrophic repairs and protect you from unplanned downtime.

In addition to the Diamond Factory program, we offer engine and airframe programs for Tecnam, Beechcraft, Cessna, Cirrus, Mooney, Piper, Austro, Continental, Lycoming and Rotax.

DIAMOND 2/19/19

Diamond Aircraft Industries has formed a strategic partnership with PistonPower™ to offer the “**Diamond Factory Engine and Airframe Program**” on all new Diamond aircraft, as well as virtually all in-service Diamond aircraft through our Authorized Sales Representatives worldwide. All maintenance will be performed by Authorized Service Centers.

The PistonPower™ **Diamond Factory Engine and Airframe Program** is an hourly cost program. The operator pays an hourly rate based on annual utilization which covers 100% parts and labor for Unscheduled and Scheduled maintenance events.

### PistonPower™ Provides:

- Protection from unforeseen and often costly maintenance expenses
- Predictability of having a fixed budget for annual maintenance
- Reassurance of having technical aviation specialists available days and evenings to troubleshoot problems
- Peace of mind with available reimbursement for loss of use and trip interruption
- Confidence that PistonPower™ coverage increases your aircraft residual value — and is fully transferable if you sell your plane

# Pick and Choose the Program to Match How You Fly

With four program levels — you can easily protect your piston engine aircraft to meet your individual needs

## LEVEL 1 UNSCHEDULED

### PistonPower™ *Unscheduled*

program includes:

1. **Engine Protection** – 100% parts and labor for all unscheduled maintenance of covered engine components
2. **Enrollment Flexibility** – You can purchase PistonPower™ anytime during the engine's life
3. **Renewability** – Your program can be renewed regardless of service history
4. **Transferability** – Should you sell your aircraft, the PistonPower™ program transfers to your buyer
5. **Expert Assistance** – Our help desk technicians are available from 7am to 10pm EST to troubleshoot problems and handle maintenance issues
6. **Loaner Components** – If repairs require extended time, we can arrange to loan you what you need
7. **Ground Shipping** – You never have to pay for domestic freight with PistonPower™
8. **Bonus Coverage** – PistonPower™ programs include available reimbursement for loss of use and trip interruption

*PistonPower™ Unscheduled is a 3-year program, for a maximum of 600 hours of service.*

## LEVEL 2 UNSCHEDULED PLUS

### PistonPower™ *Unscheduled Plus*

program includes everything in our *Unscheduled* engine program and adds:

1. **Accessory Protection** – 100% parts and labor for all unscheduled maintenance of covered aircraft accessories, including the starter, magnetos, alternators, fuel pump and more
2. **Loaner Accessories** – If repairs require extended time, we can arrange to loan you what you need if required and available

*PistonPower™ Unscheduled Plus is a 3-year program, for a maximum of 600 hours of service.*

## LEVEL 3 SCHEDULED

### PistonPower™ *Scheduled*

is an excellent choice for complete engine cost predictability for aircraft that fly 50 or more hours per year. It includes everything in our *Unscheduled Plus* program and adds:

1. **Scheduled Service** – PistonPower™ Scheduled covers 100% of your engine's annual inspections and covers all scheduled service such as oil changes, filters and analysis. Engine, propeller, accessory replacements and overhauls are fully covered — 100% parts and labor
2. **No Out-Of-Pocket** – Select the FAA-approved repair shop you prefer, and PistonPower™ pays the shop directly

*PistonPower™ Scheduled is a 5-year program, with annual payments based on 50 to 250 hours. Contact us for a custom quote if you fly more than 250 hours.*

## LEVEL 4 AIRFRAME

### PistonPower™ *Airframe*

includes the *Scheduled* engine program, and adds complete airframe protection as well. It's an excellent choice for complete cost predictability for aircraft that fly 50 or more hours per year. It's priced by the hours flown and takes coverage to the max with:

1. **Complete Nose-to-Tail Protection** – PistonPower™ Airframe covers 100% of your annual inspections for both your airframe and engine(s) and covers all scheduled service such as hourly airframe inspections, oxygen, fluids, and more. It also includes 100% coverage for parts and labor for all unscheduled service.
2. **Covering What Others Can't** – Avionics, wings, fuselage, tail, controls, cabin equipment, landing gear, seats, electrical, hydraulic, fuel systems and more
3. **No Out-Of-Pocket** – Select the OEM approved maintenance facility you prefer, and PistonPower™ pays the shop directly

*PistonPower™ Airframe is a 5-year program, with annual payments based on 50 to 250 hours. Contact us for a custom quote if you fly more than 250 hours.*
